RED WINE 2018 CUVÉE WITHOUT SULPHITES

**ACCORDS
METS & VINS**

Red meat and games ,
cheeses

non-contractual Photograph

Beautiful very dark red colour, with purplish tints.

Expressive nose of red fruits, plums and blackberries with a floral side.

Fresh and supple on the palate. Long and seductive finish with small jammy notes.

Silky tannins reflect a beautiful aromatic balance.

Bergerac red A.O.P.

EARL de Conti

Les Eymaries

Packaging: 6 bottles

Alc 14.5% vol

Vinification in thermo-regulated vats

Maturing on lees, without added sulphites

Since 2011, we have been applying the organic wine vinification charter, and we are starting the transition to biodynamics in 2019.

The estate is made up of very old vines, some of which are nearly 100 years old.

Located on a plateau of the appellation (more than 190 metres above sea level), our terroir benefits from a windy and especially very sunny area.

Our vines dominate the region, both in terms of quality and exposure.

The rock is very close to the ground at a depth of about 30 / 40 cm, which forces the vine to fight.

This gives this wine an intense structure and a good minerality
